

Taylor Bryan, CFA®

Associate Portfolio Manager

Taylor serves as an Associate Portfolio Manager at RiverFront. In this role she is responsible for contributing general market and sector-specific research, portfolio analytics, and stock selection. In addition, Taylor serves on RiverFront's REACH committee and is a member of the ENGAGE leadership team.

In July of 2018, Taylor joined RiverFront as a Trader and Portfolio Analyst. In this dual role she gained valuable experience implementing investment model changes, performing account reconciliations, and facilitating sales reporting for the Trading and Portfolio Administration Team.

Taylor received her Chartered Financial Analyst® designation in 2021. She has successfully completed the FINRA Series 7 and 63 licensing exams.

In 2018, Taylor earned a Bachelor of Science from the University of Virginia, where she double majored in Economics and History. Prior to joining full time, Taylor was a RiverFront summer intern.

Taylor was born and raised in Richmond, Virginia. The only other place she has lived is Charlottesville, which will always be a second home to her. She enjoys spending time with her family and friends, spending time outdoors, and going on weekend trips to explore new cities. She is passionate about financial education and educating younger women about the wide range of career opportunities available to them.

COMMUNITY INVOLVEMENT

"RiverFront supports my community involvement through the employee match program as well as giving associates one half day per month of paid volunteer time. These give me *flexibility to live out my passion* of giving back and being a positive force in the community around me."
