

Doug Sandler CFA®

Vice Chairman

Doug serves as the Vice Chairman for RiverFront and is focused primarily on working with the firm's largest advisor relationships and creating investment content. He was one of the firm's four initial founders and brings over 30 years of investment experience to the role. Doug also serves on the firm's Board of Directors and the firm's Investment Committee.

Prior to that, Doug was the Head of Global Strategy, overseeing the firm's sales and marketing teams, and the Chief US Equity Officer for RiverFront. Before founding RiverFront he was a Managing Director and Chief Equity Strategist for Wachovia Securities.

Doug earned a BS in Accounting and an MBA from the University of Richmond, graduating with honors. He received his CFA designation in 1997.

With four children, three dogs, and a rotating list of other pets, the Sandler household is an everyday study of chaos theory. Doug looks forward to returning to the relative sanity of the equity markets each and every weekday morning.
