Heather serves as the Global Strategy Business Officer. She brings 20 years of experience to her role overseeing facilities management and corporate event planning.

Heather joined RiverFront in July of 2011. She began her career in the financial services industry in 1999 at Raymond James Financial Services, Inc. She held a variety of positions with Wells Fargo Advisors, and First Clearing Correspondent Services. Prior to joining RiverFront, she provided executive and project management support to the Chief Risk & Quality Officer of First Clearing. In this role, she provided extensive support to the Managing Director and was the Department's Business Liaison for the Legal, Compliance, Risk, Anti-Money Laundering, Information Technology, and Human Resources operations.

Heather has had the rare opportunity to experience life in six different states. Though it is uncertain whether she ultimately chose Virginia because of family roots, she enjoys spending time on the state's beaches and golf courses. When not swinging a club or combing the sand, Heather spends time with her family and her boxer.

“RiverFront allows and encourages us to volunteer time off during office hours. It’s been a joy to have experiences with some of the charities like ToolBank, Child Savers, and Shalom Farms. And representing RiverFront during sponsorships for the PGA Senior Tour.”
