

Jacqueline Carrico

Director of Internal Sales | Western Regional Sales Officer

Jackie serves as the Director of Internal Sales and Western Regional Sales Officer with over 10 years of experience in the Financial Industry ranging from operational management, private security transactions, and high net worth client management. She brings drive, focus, and fun to the Sales team.

Before joining RiverFront, Jackie worked at Morgan Stanley and Wells Fargo Advisors as a Financial Planning Specialist and Registered Client Associate. Most recently she worked at a FinTech Private Placement start-up. Jackie holds a bachelor's degree in Finance from Virginia Commonwealth University and is an avid VCU RAMS Basketball fan. In addition, she is also an active member of the RiverFront Charitable Giving Committee.

When Jackie is not in the office, she can be found at one of her daughter's after school activities including gymnastics and tumbling. She enjoys an active lifestyle; hitting the gym, cooking, outings with the family pups, and volunteering with her church. Most of all, she enjoys spending time with her husband Neil and their daughters Lily and Iris.
