

## Taylor Jarrett

### Trader & Portfolio Analyst

Taylor joined RiverFront as Trader & Portfolio Analyst in July 2018 after having completed an internship at RiverFront during the summer of 2017. She comes from the University of Virginia where she recently graduated with bachelor's degrees in both Economics and History.

Alongside cheering on the Hoos, Taylor spends her free time exercising, reading (usually history books), and spending time with family and friends. Even though she is a Richmond native she still is always exploring and discovering new things about the city.

### COMMUNITY INVOLVEMENT

"RiverFront supports my community involvement through the employee match program as well as giving associates one half day per month of paid volunteer time. These give me *flexibility to live out my passion* of giving back and being a positive force in the community around me."
